In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF PUBLIC) CASE NO. 8186-D
GAS COMPANY)

O R D E R

On February 10, 1983, the Commission entered an Interim Order in this case approving certain rates, subject to refund. The rates were approved on an interim basis because Public Gas Company ("Public") made a showing that a full 5-month suspension of the proposed rates could materially affect its credit and impair its ability to operate.

After reviewing the record and being advised, the Commission is of the opinion and finds that the rates approved in the February 10, 1983, Interim Order should be made permanent.

IT IS THEREFORE ORDERED that the Interim Order approved on February 10, 1983, be and it hereby is adopted as the final Order in this case.

Done at Frankfort, Kentucky, this 19th day of May, 1983.
